Bendigo Health

Bendigo Health is a leading regional health service, learn more about us by visiting our website: [Bendigo Health Website - About Bendigo Health](#)

Our organisation is a child safe organisation, committed to the safety and wellbeing of all children and young people. All Aboriginal and Torres Strait Islander adults, children and families will be supported to express and be proud of their culture in an environment that is culturally safe and supported.

Our Vision

Excellent Care. Every Person. Every Time.

Our Values

CARING – We care for our community,

PASSIONATE – We are passionate about doing our best,

TRUSTWORTHY - We are open, honest and respectful

The Position

All units are staffed by a multi-disciplinary team made up of Psychiatrists, Medical Officers, Nursing staff, Occupational Therapists, Carer & Consumer roles and Social Workers, incorporating aspects of the Safewards model utilising the associated interventions.

Responsibilities and Accountabilities

Key Responsibilities

- Assist in the planning, delivery and evaluation of a high standard of nursing care in consultation with the health care team, patients and carers.
- To provide safe customer-focussed patients care in a multidisciplinary environment.
- Provide effective communication so as to include the patients' carers and the multi-disciplinary team in the immediate and ongoing health care.
- Assess the need for and provide health education for patients and their carers.
- Refer relevant and important issues to the Senior Nurse on duty or other health care team members.
- Provide leadership and direction and act as a positive role model, providing mentorship / preceptorship to less experienced nurses, including graduate nurses and under-graduate nursing students.
- Undertake (nursing) mental state, social state and physical assessments of patients, which will assist with recommendations for formulation of Individual treatment/recovery plans.
- Ensure the accurate documentation of client records during the shift.

Key Selection Criteria

Essential

Qualifications / Certificates

1. Post graduate diploma, or working toward, in mental health and/or related field

Specialist Expertise

2. Knowledge and an understanding of the Mental Health and Wellbeing Act 2022 and other relevant legislation and their application to clinical practice
3. Proven ability to liaise and consult with relevant family members, team members and a broad range of health professionals and community agencies

Personal Qualities, Knowledge and Skills

4. Well-developed verbal, written, interpersonal, communication and computer literacy skills and knowledge
5. Demonstrated evidence of and a commitment to ongoing professional development and compliance with all Bendigo Health mandatory training requirements

Desirable

6. Awareness and understanding of the Safewards model and applying this to practice
7. A personal approach which is positive, enthusiastic, friendly and helpful
8. A willingness to learn and flexibility to operate in an environment of change and continuous improvement

Generic Responsibilities

All Bendigo Health staff are required to:

- Adhere to the **Victorian Government's Code of Conduct**
- Uphold **Occupational Health and Safety** responsibilities, including self-care, safeguarding others, and participating in safety initiatives and reporting.
- Comply with all **Bendigo Health policies and procedures**, including those related to clinical, managerial, and standard work practices.
- Follow **Infection Control** procedures to prevent cross-contamination and ensure the health and safety of all.
- Maintain **strict confidentiality** regarding all organisational, patient, and staff information.
- Engage in **continuous quality improvement** activities aligned with the National Safety and Quality Health Service Standards (NSQHSS).
- Recognise and respect **diversity**, fostering inclusive practices in the workplace and service delivery.
- Staff must carry out all lawful and reasonable directions and comply with relevant professional standards and ethical codes.
- Safeguard children and young people in our care, by ensuring that your interactions are positive and safe, and report any suspicions or concerns of abuse by any person internal or external to Bendigo Health.
- Maintain ability to perform the inherent requirements of this role. Inherent requirements are the essential tasks necessary to perform this role, including reasonable adjustments. Bendigo Health is committed to a safe workplace that supports all employees. The role may require specific physical and cognitive abilities, which can be discussed with the manager during recruitment or at any time. We understand that personal circumstances can change and impact your ability to meet these requirements; additional policies are available to guide you through this process. Please request the relevant procedures for more information.

All Bendigo Health sites, workplaces and vehicles are smoke free.

This position description is intended to describe the general nature and level of work that is to be performed by the person appointed to the role. It is not intended to be an exhaustive list of all responsibilities, duties and skills required. Any elements of this document may be changed at Bendigo Health's discretion and activities may be added, removed or amended at any time.
