Bendigo Health

Bendigo Health is a leading regional health service, learn more about us by visiting our website: [Bendigo Health Website - About Bendigo Health](#)

Our organisation is a child safe organisation, committed to the safety and wellbeing of all children and young people. All Aboriginal and Torres Strait Islander adults, children and families will be supported to express and be proud of their culture in an environment that is culturally safe and supported.

Our Vision

Excellent Care. Every Person. Every Time.

Our Values

CARING – We care for our community,

PASSIONATE – We are passionate about doing our best,

TRUSTWORTHY - We are open, honest and respectful

The Position

The Grade 2 Social Worker is responsible for the provision of Discipline Services within a designated clinical caseload (Specialist Palliative Care Services), appropriate to their level of experience and competency.

Grade 2 level Social Worker are required to display autonomy of practice, whilst also contributing strongly to the interdisciplinary team.

The purpose of this position is to:

- Provide best practice client centred clinical care to clients within the designated caseload in the Specialist Palliative Care Service
- To provide specialized social work support to patients who are experiencing crisis, trauma, or other complex social and health-related issues. The role involves case management, advocacy, and direct support, as well as leadership within the social work team.
- Conduct comprehensive psychosocial assessments and formulate appropriate intervention plans
- Coordinate with community services, aged care providers, and support networks to ensure continuity of care post-discharge.
- Bereavement support is an essential component of the palliative care service. Coordinated by the Community Social Worker with support from the Inpatient Social Worker – it aligns with the Bereavement Support Standards and is available to any relative/NOK of a patient that dies whilst registered with our service.
- Participate in case conferences, family meetings, and care planning discussions.
- Provide counselling and emotional support to patients and their families/carers.
- This role may be rostered to work on weekends and public holidays
- Contribute to the development of the Specialist Palliative Care Service.
