## Bendigo Health

Bendigo Health is a leading regional health service, learn more about us by visiting our website: [Bendigo Health Website - About Bendigo Health](#)

As an organisation we are committed to delivering safe, inclusive and high-quality care to our diverse communities across the Loddon Mallee Region. We value and respect the unique backgrounds, cultures and experiences of the people we serve and those who work with us.

We are a proud child safe organisation, dedicated to the safety, wellbeing and voice of all children and young people. We are committed to creating a culturally safe and welcoming environment where Aboriginal and Torres Strait Islander peoples—adults, children and families—are respected, supported and empowered to express and celebrate their culture.

## Our Vision

To be a trusted regional healthcare service recognised for delivering exceptional care, being a great place to work, and being deeply connected to our community.

## Our Values

**PASSIONATE** – We are passionate about doing our best – for our patients, our colleagues and our community.

**ACCOUNTABLE** – We take ownership of our actions and outcomes, always striving for integrity and improvement.

**CARING** – We care deeply for our community – and our community cares for us. Compassion is at the heart of everything we do.

TRUSTWORTHY - We are open, honest and respectful in all that we do – earning the trust placed in us every day.

## The Position

The Nurse Unit Manager (NUM) is responsible for the operational, clinical, and professional leadership of a 32-bed Orthopaedic Rehabilitation and GEM inpatient unit.

The NUM provides effective leadership to nursing, allied health assistant, and support staff to ensure delivery of safe, evidence-based, person-centred care to older adults and rehabilitation patients.

The role is accountable for achieving excellence in clinical outcomes, workforce management, patient flow, quality improvement, accreditation compliance, financial stewardship, and staff engagement within a multidisciplinary rehabilitation environment.

The NUM promotes a culture of safety, accountability, teamwork, innovation, and compassionate care consistent with Victorian public health service values and NSQHS Standards.

## Responsibilities and Accountabilities

### Key Responsibilities

#### *Strategic alignment*

**Leadership** – This position will be responsible for ensuring that the team is equipped to deliver strategic goals of the organisation by managing, coaching and supporting direct reports.

**Deliver Results** – This position will be required to contribute to the organisational strategic planning process by planning, setting and monitoring clear targets for the team plan and ensuring that projects are linked to the goals of the organisations strategic plan.

**Service Excellence**– As part of working as one this position will contribute to providing a standard of excellence in customer service. This will be measured internally via staff surveys and externally via customer and community feedback to ensure that the organisation is delivering professional and efficient customer service.

#### *Financial accountability*

**Analysis and Problem Solving** – This position will contribute to all clinical/ non-clinical reporting including qualitative and quantitative analysis as required accurately and within time constraints.

**Compliance** – This position will comply with all delegated authorities and limits and actively communicate any problems, changes or issues that senior management should be aware of. It will also be conscious of the quality, risk, OH&S and other legislative requirements there are when implementing systems, processes and practices.

**Innovation** – This position will demonstrate strong problem-solving skills, including the ability to develop new processes and make improvements to processes and services.

#### *People management accountability*

**Communicate with influence** –This position will assist in driving towards the development of a high-performance culture through strong leadership. It will meaningfully interpret and communicate the organisations strategic direction and assist to create innovative work practices to assist staff with the change process.

**Performance Management** - This position will provide regular supervision, training opportunities, coaching, mentoring and guidance to its direct reports. The incumbent will ensure that the annual

performance reviews for its direct reports are completed on time. This includes being responsible for addressing issues that negatively impact performance.

**Collaboration** – This position will develop a collaborative and effective team by communicating meaningful information regularly. The position will also manage professionally and in a timely manner any issues associated with working together such as dealing with differences, conflict, shared goals and team morale.

### *Technical/clinical accountability*

- To work closely with Directors, Medical staff, Senior Managers and other managers and staff to shape organisational strategy, improve procedural service provision and achieve departmental and Hospital strategic objectives.
- Engage in planning, implementing and evaluating practices, processes and services within the department and organisational as required.
