Bendigo Health

Bendigo Health is a leading regional health service, learn more about us by visiting our website: [Bendigo Health Website - About Bendigo Health](#)

As an organisation we are committed to delivering safe, inclusive and high-quality care to our diverse communities across the Loddon Mallee Region. We value and respect the unique backgrounds, cultures and experiences of the people we serve and those who work with us.

We are a proud child safe organisation, dedicated to the safety, wellbeing and voice of all children and young people. We are committed to creating a culturally safe and welcoming environment where Aboriginal and Torres Strait Islander peoples—adults, children and families—are respected, supported and empowered to express and celebrate their culture.

Our Vision

To be a trusted regional healthcare service recognised for delivering exceptional care, being a great place to work, and being deeply connected to our community.

Our Values

PASSIONATE – We are passionate about doing our best – for our patients, our colleagues and our community.

ACCOUNTABLE – We take ownership of our actions and outcomes, always striving for integrity and improvement.

CARING – We care deeply for our community – and our community cares for us. Compassion is at the heart of everything we do.

TRUSTWORTHY - We are open, honest and respectful in all that we do – earning the trust placed in us every day.

The Position

Swan Hill Community Mental Health Service is part of Bendigo Health’s Mental Health Department. Swan Hill is one of five rural multidisciplinary mental health teams providing care to community members aged 25–64 years who are experiencing mental illness.

Community Mental Health Senior Clinicians provide psychiatric triage, intake assessment, as well as ongoing treatment, psycho-education and support for patients of Psychiatric Services and their families and carers. All treatment and support are recovery-focused and delivered across all stages of illness.

Responsibilities and Accountabilities

Key Responsibilities

In a multi-disciplinary integrated community mental health team, and under the direction of the Manager and Consultant Psychiatrist(s):

- Provide strong leadership, clinical supervision, mentorship and preceptorship to junior staff/student
- Assume responsibilities associated with the effective management of the team including deputising for the Manager as needed, day to day operational and clinical leadership to the multidisciplinary team, conducting staff performance reviews, and undertake portfolio roles within the program.
- Provide intake coordination, assessment and clinical treatment, including crisis assessment, intensive treatment, case management and support for patients, their families and carers.
- In conjunction with the manager, support and/or provide a range of bio-psycho-social treatment modalities including individual, family and group settings in the community.
- In consultation with the patient, family and carer(s), and other care providers, formulate, negotiate, document, monitor and maintain a Recovery Plan for each patient of the service, and complete other documentation, including Outcome Measures, as per service policy.
- Identify, engage and include other key community agencies and service providers involved in the provision of rehabilitation, recovery, support, and discharge planning consistent with the patients and family/carer(s) needs.
- Participate in community consultation, awareness and education activities and develop community resources to increase the understanding of psychiatric disorders and service delivery models in the community.
- Participate in Multi-disciplinary Team processes and provide sound discipline specific advice to other clinicians within the team and guidance/preceptorship to more junior staff and students.
- Depending on service requirements, work flexible hours, as directed.
- Perform other duties as directed.

Required Capabilities for Allied Health

Further to the key responsibilities outlined in this position description, Allied Health staff are required to demonstrate the capabilities outlined in the Bendigo Health Allied Health Grade Level Capabilities.

Key Selection Criteria

Essential

1. Current registration as Registered Nurse or Occupational Therapist with the Australian Health Practitioner Regulation Agency (AHPRA) or; Social Worker – membership/meets the eligibility requirements for membership, with the Australian Association of Social Work.
2. Post graduate qualifications in mental health and/or related field; or having completed a specialist undergraduate psychiatric nursing program or a specialist post basic course of training which led to registration as a division 3 Nurse.
3. Extensive work experience, usually at least five years, and expertise in community based psychiatric triage, assessment, support and treatment of people with a mental illness and associated complex issues.
4. Extensive experience working with the Mental Health and Wellbeing Act 2022 and relevant state-wide psychiatric service frameworks and procedures.
5. Ability to develop effective working relationships with, and extensive experience in liaising and consulting with relevant family members, team members, and a broad range of health professionals and community agencies.
6. High level of organisational, communication and interpersonal skills, with the ability to strategically prioritise work requirements and demands.

Generic Responsibilities

All Bendigo Health staff are required to:

- Adhere to the **Victorian Government's Code of Conduct**
- Uphold **Occupational Health and Safety** responsibilities, including self-care, safeguarding others, and participating in safety initiatives and reporting.
- Comply with all **Bendigo Health policies and procedures**, including those related to clinical, managerial, and standard work practices.
- Follow **Infection Control** procedures to prevent cross-contamination and ensure the health and safety of all.
- Maintain **strict confidentiality** regarding all organisational, patient, and staff information.
- Engage in **continuous quality improvement** activities aligned with the National Safety and Quality Health Service Standards (NSQHSS).
- Recognise and respect **diversity**, fostering inclusive practices in the workplace and service delivery.
- Support research activities in alignment with the National Clinical Trials Governance Framework to ensure high-quality, safe, and ethical clinical trials and research practices across Bendigo Health
- Staff must carry out all lawful and reasonable directions and comply with relevant professional standards and ethical codes.
- Safeguard children and young people in our care, by ensuring that your interactions are positive and safe, and report any suspicions or concerns of abuse by any person internal or external to Bendigo Health.
- Maintain ability to perform the inherent requirements of this role. Inherent requirements are the essential tasks necessary to perform this role, including reasonable adjustments. Bendigo Health is committed to a safe workplace that supports all employees. The role may require specific physical

and cognitive abilities, which can be discussed with the manager during recruitment or at any time. We understand that personal circumstances can change and impact your ability to meet these requirements; additional policies are available to guide you through this process. Please request the relevant procedures for more information.

All Bendigo Health sites, workplaces and vehicles are smoke free.

This position description is intended to describe the general nature and level of work that is to be performed by the person appointed to the role. It is not intended to be an exhaustive list of all responsibilities, duties and skills required. Any elements of this document may be changed at Bendigo Health's discretion and activities may be added, removed or amended at any time.
