Bendigo Health

With more than 4,500 staff and volunteers and covering an area a quarter of the size of Victoria, Bendigo Health, is an expanding regional health service offering the advantages of city life combined with the beauty and freedom that comes from living in a regional area.

Bendigo Health is a 700 bed service that treats more than 45,000 inpatients, triages more than 65,000 emergency attendees and welcomes more than 1,600 new born babies in a year. In addition more than 15,000 operations are performed in our operating theatres and more than 100,000 occasions of services are provided in our clinics to outpatients.

The organisation provides services in emergency, maternity, women's health, medical imaging, pathology, rehabilitation, community services, residential aged care, psychiatric care, community dental, hospice/palliative care, cardiology, cancer services and renal dialysis to the people of the Loddon Mallee region.

With our main campus based in Bendigo, our services extend throughout the Loddon Mallee with sites in areas such as Mildura, Echuca, Swan Hill, Kyneton and Castlemaine.

Demand on services is increasing rapidly with Bendigo being one of Victoria's fastest growing regional cities.

Our Vision

Excellent Care. Every Person. Every Time.

Our Values

CARING – We care for our community

PASSIONATE – We are passionate about doing our best

TRUSTWORTHY - We are open, honest and respectful

All staff at Bendigo Health should have, or aspire to the personal qualities, knowledge and skills as described in the Bendigo Health Staff Capabilities Statement. Refer to link at top of page.

The Clinical Operations Division

The Clinical Operations Division encompasses acute, allied health, cancer and mental health services. We provide a wide range of general medical, surgical and specialty services including but not limited to; Oncology, Cardiology, Renal, Emergency, Women's and Children's, Critical Care, Specialist Clinics, Cancer Clinics and Mental Health Services. Our Allied Health teams provide a diverse range of programs and person centred care in inpatient, outpatient, community, home and residential care settings.

Within a state-of-the-art hospital, our Ambulatory and Critical Care, Medical Services, Surgical Services and Women's and Children's areas use the latest technologies to provide excellent care. Our world class Cancer Centre uses a multi-disciplinary, integrated approach to treat specific cancers. The Cancer Centre offers medical oncology, radiation oncology, specialist nurses, clinical trials and cancer research, palliative care, and a Cancer Wellness Program.

The Mental Health Service provides psychiatric care and treatment across a large catchment area in Victoria stretching from Swan Hill in the north of the state to Gisborne in the south. Family sensitive practice is central to our models of mental health care and best practice ensures the identification, inclusion and support of families, carers and children.

Each year our onsite Specialist Clinics provide over 100,000 service events, we also see more than 60,000 people in our Emergency Department and welcome around 1700 babies into the world. The Clinical Operations Division assists with the admission of more than 50,000 patients into the hospital each year.

The Allied Health and Continuing Care Directorate offers a diverse range of programs and services which provide high quality person centred care to clients and consumers in inpatient, outpatient, and community settings.

Our services include:

- Allied Health
- Community and Ambulatory Care
- Community Dental Services
- Referral Centre
- Rehabilitation, Geriatric and Palliative Medicine

The Allied Health team at Bendigo Health comprises over 400 staff including Audiology, Dietetics, Exercise Physiology, Occupational Therapy, Physiotherapy, Podiatry, Psychology/Neuropsychology, Social Work, Speech Pathology, Spiritual Care and Allied Health Assistance. Allied Health clinicians work in a very broad range of roles and are valued in the contribution they make to the multi-disciplinary team.

The Social Work Department

Currently there are over 100 Social Workers across Bendigo Health who provide services to inpatient, outpatient and community programs in acute; sub-acute; community; and mental health areas. Social Work is a profession which prides itself on continuing to be informed by the latest theoretical frameworks and skills are maintained by all Social Work department staff. Annual Bendigo Health credentialing requirements ensure that Social Workers align to the Australian Association of Social Work (AASW) accreditation standards. The team offer a comprehensive range of services to address the emotional and psychosocial aspects of health. Including providing care and understanding in relation to hospital services, finding resolutions for problems causing concern, and providing assistance to the patient to gain the confidence to take responsibility for and control of health and wellbeing. Our social workers address client issues such as the emotional impacts of a current health issue, complex discharge planning, personal adjustment issues, loss, grief and/or trauma, end of life care/bereavement follow up and abuse prevention and response inclusive of safety planning. The team provides assessment services; counselling and support (practical and emotional); and facilitates safe and timely discharge or transition for patients relevant to their individual situation. The team works in partnership with relevant service areas both within Bendigo Health and external services to ensure best practice outcomes.

The Position

All staff at Bendigo Health should have, or aspire to the personal qualities, knowledge and skills as described in the Bendigo Health Staff Capabilities Statement and the Allied Health Grade Level Capabilities: Grade 2 Allied Health Professional. Please refer to links provided to these documents.

The Grade 2 Social Worker is responsible for the provision of Discipline Services within a designated clinical caseload, appropriate to their level of experience and competency. Grade 2 level Social Worker are required to display autonomy of practice, whilst also contributing strongly to the interdisciplinary team.

The purpose of this position is to:

- Provide best practice client centred clinical care to clients within the designated caseload in woman's and children's services of Bendigo Health
- To provide specialized social work support to women and children who are experiencing crisis, trauma, or other complex social and health-related issues. The role involves case management, advocacy, and direct support, as well as leadership within the social work team.
- Assess and provide therapeutic interventions for women and children facing a range of challenges, such as family violence, child protection concerns, mental health issues, and complex issues.
- This role may be rostered to work on weekends and public holidays
- Contribute to the development of the Women's and Children's service, as well as the general Social Work department as appropriate.

Required Capabilities for Allied Health

Further to the key responsibilities outlined in this position description, Allied Health staff are required to demonstrate the capabilities outlined in the Bendigo Health Allied Health Grade Level Capabilities.

Generic Responsibilities

Code of Conduct - The Victorian Government's Code of Conduct is binding on all Bendigo Health staff. Contravention of a provision in the code may constitute misconduct and/ or regarded as a breach of the employee's employment agreement and will be dealt with under the organisations Counselling and Disciplinary Action Policy.

Compliance with policies and procedures - All Bendigo Health's policies and procedures are set out in its clinical and managerial policy manuals located on the intranet under PROMPT and in hard copy. All staff must ensure they comply with policies, procedures and standard ways of work practices when carrying out their work. Any breach in compliance may result in disciplinary action.

Occupational Health and Safety - Every staff member has the responsibility to take reasonable care of their own health and safety and the safety of others, to cooperate with Bendigo Health's OH&S policies and to participate in appropriate safety education and evaluation activities. All staff are expected to participate in reporting any health, safety and wellbeing issues. Any breach in compliance may result in disciplinary action.

Infection Control - Every staff member has the responsibility to minimise incidents of infection/ cross infection of residents, staff, visitors and the general public. All staff must adhere to the policies and procedures as set out in Bendigo Health's infection control manuals. Any breach in compliance may result in disciplinary action.

Confidentiality - All information concerning Bendigo Health, its patients, clients, residents and staff should remain strictly confidential. Any unauthorised disclosure of such information may result in disciplinary action.

Quality Improvement - Bendigo Health is dedicated to improving the quality and safety of health services by providing care within the following domains of quality: Consumer Participation, Clinical Effectiveness, Effective Workforce and Risk Management. As a result, we apply the concept of the quality cycle for all our quality activities, initiatives and projects thereby ensuring the best possible care and treatment results are achieved. The underlying principle of the cycle is that an activity is not complete until evaluation shows that it has been effective and reached the desired outcome. As a Bendigo Health employee you have a responsibility to participate in and commit to ongoing quality improvement activities using the framework of the NSQHSS (National Safety and Quality Health Service Standards).

Diversity – Each person has a right to high-quality health care and opportunities regardless of diversity factors, which might include aspects such as cultural, ethnic, linguistic, religious background, gender, sexual orientation, age and socio-economic status. Every staff member has a responsibility to recognise and respect diversity. Inclusiveness improves our service to our community and promotes engagement amongst staff.

Employees are required to carry out lawful directions outlined above or delegated to them. The work to be performed is set out in this position description and, where relevant, any professional standards and codes of conduct and ethics issued by the relevant professional association.
