The Position

All staff at Bendigo Health should have, or aspire to the personal qualities, knowledge and skills as described in the Bendigo Health Staff Capabilities Statement and the Allied Health Grade Level Capabilities: Grade 1 Allied Health Professional. Please refer to links provided to these documents.

The Grade One Dietitian is responsible for the provision of Nutrition & Dietetics Services within a designated clinical caseload, appropriate to their level of experience and competency. Grade One level Dietitian are required to display autonomy of practice, whilst also contributing constructively to the multidisciplinary team.

The dietitian is an integral member of the multidisciplinary team, ensuring that nutritional care is cohesive, evidence-based, and directly supports the goals of the patient along with the medical, nursing, and allied health teams.

The purpose of this position is to:

- Conduct thorough, individualised nutritional assessments of inpatients as part of an allocated caseload
- Provide expert dietary intervention and education to inpatients located on the following wards: general medical, women’s ward and sub-acute wards (GEM and ortho rehab)
- To work closely with patients, their families and other stakeholders through goal-directed care
- To support other dietetic work areas as required
- To support and participate in the ongoing improvement of our team and services
- Where required, Allied health clinicians may be rostered to work on weekends and public holidays

The key responsibilities and duties of the Grade 1 Dietitian include, but are not limited to:

Key Responsibilities	Demonstrated by
1. Provision of care	<ul style="list-style-type: none"> • Work independently within approved scope of practice to provide safe, evidence-based care according to organisational policies and protocols, taking responsibility for the quality of care at point of care within scope of practice • Use clinical reasoning to ensure timely and responsive management of referrals and waitlists and support the fair distribution of workloads in collaboration with the team as required • Document in the medical history consistent with relevant Bendigo Health procedures and departmental requirements • Complete required program reporting and statistical records for patient – related and other activities within specified timeframes • Consult with or escalate concerns, risks, clinical complexity and barriers to supervisor and senior staff • Demonstrate sound knowledge and sensitivity to ethical and cultural issues and vulnerable population groups and integrate this into practice.
2. Collaborative practice	<ul style="list-style-type: none"> • Work collaboratively with patients, their families and other stakeholders to establish a patient focused multidisciplinary management plan, consistent with professional standards of practice and evidenced based practice • Work collaboratively with the multidisciplinary team to deliver safe consumer-focused care, liaising with health professionals and agencies

	<p>internal and external to Bendigo Health regarding clinical management where necessary</p> <ul style="list-style-type: none"> • Provide clinical handover to ensure patient care is maintained • Facilitate the smooth transition of patients through the health care system, collaborating and liaising with relevant services to ensure continuity of care for individual patients and their families.
<p>3. Quality, innovation and improvement</p>	<p>Innovation and change</p> <ul style="list-style-type: none"> • Work with patients and colleagues to develop practical and creative solutions to workplace problems • Contribute to an innovative and evidence-based approach to Allied Health service delivery by recognising areas for improvement, and suggesting new ways of working to improve team functioning and effectiveness. <p>Quality improvement and research</p> <ul style="list-style-type: none"> • Contribute to the attainment and sharing of professional clinical expertise through the participation in quality and/or research activities as directed and supported by senior clinician/clinical supervisor/manager • Contribute to translating evidence into practice, through identifying clinical practice gaps, implementing and evaluating evidence based care • Assist in the development of relevant department business and quality plans, policies and protocols, informed by best available evidence, data analysis and patient feedback. <p>Safety and risk management</p> <ul style="list-style-type: none"> • Carry out compliance and improvement against the key elements of quality, safety and accreditation requirements as directed • Observe safe working practices and as far as able, protect own and others' health and safety • Contribute to quality and safety activities such as risk management, clinical audits and benchmarking auditing processes to ensure consistency with Bendigo Health procedures and departmental requirements.
<p>4. Professional conduct</p>	<ul style="list-style-type: none"> • Demonstrate effective oral and written communication skills • Recognise issues that may lead to conflict, constructively addressing issues as they arise, and escalate for advice and resolution, in line with Bendigo Health procedures and values • Display professionalism and well-developed interpersonal skills • Demonstrate understanding of own personal and professional limitations and escalate as required • Adhere to profession specific standards of professional practice • Actively participate in relevant meetings, working parties and portfolios as required • Work with operational and professional managers, or their delegates, to ensure that adequate time is allocated for non-clinical responsibilities such as participating in clinical supervision, education, quality improvement and research, delegated portfolios, and attendance at meetings and committees.
<p>5. Learning and Development</p>	<ul style="list-style-type: none"> • Work with students and other allied health clinicians (such as Allied Health Assistants) with guidance from senior clinicians/clinical supervisor as required

	<ul style="list-style-type: none"> • Participate in clinical supervision in accordance with the Allied Health Clinical Supervision protocol • Demonstrate a commitment to lifelong learning and evidence-based practice through participating in professional development for self and supporting the knowledge and skill development of other professional groups, with guidance from senior staff as required • Reflect on clinical practice to identify strengths and learning areas requiring further development • Complete all mandatory and required training and professional development requirements.

Generic Responsibilities

All Bendigo Health staff are required to:

- Adhere to the **Victorian Government's Code of Conduct**
- Uphold **Occupational Health and Safety** responsibilities, including self-care, safeguarding others, and participating in safety initiatives and reporting.
- Comply with all **Bendigo Health policies and procedures**, including those related to clinical, managerial, and standard work practices.
- Follow **Infection Control** procedures to prevent cross-contamination and ensure the health and safety of all.
- Maintain **strict confidentiality** regarding all organisational, patient, and staff information.
- Engage in **continuous quality improvement** activities aligned with the National Safety and Quality Health Service Standards (NSQHSS).
- Recognise and respect **diversity**, fostering inclusive practices in the workplace and service delivery.
- Staff must carry out all lawful and reasonable directions and comply with relevant professional standards and ethical codes.
- Safeguard children and young people in our care, by ensuring that your interactions are positive and safe, and report any suspicions or concerns of abuse by any person internal or external to Bendigo Health.
- Maintain ability to perform the inherent requirements of this role. Inherent requirements are the essential tasks necessary to perform this role, including reasonable adjustments. Bendigo Health is committed to a safe workplace that supports all employees. The role may require specific physical and cognitive abilities, which can be discussed with the manager during recruitment or at any time. We understand that personal circumstances can change and impact your ability to meet these requirements; additional policies are available to guide you through this process. Please request the relevant procedures for more information.

All Bendigo Health sites, workplaces and vehicles are smoke free.

This position description is intended to describe the general nature and level of work that is to be performed by the person appointed to the role. It is not intended to be an exhaustive list of all responsibilities, duties and skills required. Any elements of this document may be changed at Bendigo Health's discretion and activities may be added, removed or amended at any time.
