## Bendigo Health

Bendigo Health is a leading regional health service, learn more about us by visiting our website: [Bendigo Health Website - About Bendigo Health](#)

As an organisation we are committed to delivering safe, inclusive and high-quality care to our diverse communities across the Loddon Mallee Region. We value and respect the unique backgrounds, cultures and experiences of the people we serve and those who work with us.

We are a proud child safe organisation, dedicated to the safety, wellbeing and voice of all children and young people. We are committed to creating a culturally safe and welcoming environment where Aboriginal and Torres Strait Islander peoples—adults, children and families—are respected, supported and empowered to express and celebrate their culture.

## Our Vision

To be a trusted regional healthcare service recognised for delivering exceptional care, being a great place to work, and being deeply connected to our community.

## Our Values

**PASSIONATE** – We are passionate about doing our best – for our patients, our colleagues and our community.

**ACCOUNTABLE** – We take ownership of our actions and outcomes, always striving for integrity and improvement.

**CARING** – We care deeply for our community – and our community cares for us. Compassion is at the heart of everything we do.

TRUSTWORTHY - We are open, honest and respectful in all that we do – earning the trust placed in us every day.

## The Position

Responsible for the provision of specialised nursing care for patients, inpatients or outpatients, who present for diagnostic and interventional imaging procedures.

Nurses in Medical Imaging provide support to Medical Imaging Technologists, Sonographers and Radiologists in the provision of safe care, assisting the team with smooth flow of patients through the department.

## Responsibilities and Accountabilities

### Key Responsibilities

- Provide general nursing care and observation of all patients whilst in the Medical Imaging department
- Assist the Radiologist with imaging procedures
- Ensure safe transportation of patients to and from Medical Imaging during operational hours
- To assist with the booking of procedures, utilising resources effectively and efficiently
- Maintain all emergency resuscitation equipment as per Bendigo Health policy
- Ensure equipment is maintained and ready for use
- Ensure consumable stock is maintained and available when required
- Effectively communicate relevant and important issues to the senior nurse or Medical Imaging Director
- Participate in the teaching and provision of relevant experience for all students of nursing allocated to the department

## Key Selection Criteria

### Essential

1. Sound clinical knowledge, skills and experience in acute nursing practice
2. Experience in minor procedure patient preparation and recovery
3. Ability to pass the Bendigo Health MRI safety questionnaire
4. IV Cannulation competency
5. Ability to work as a part of a team as well as independently
6. A personal approach which is positive, enthusiastic, friendly and helpful
7. Ability to communicate appropriately with relevant family members, colleagues, health professionals and community agencies

### Desirable

8. Previous medical imaging, surgery or medical practice experience

## Generic Responsibilities

All Bendigo Health staff are required to:

- Adhere to the **Victorian Government's Code of Conduct**
- Uphold **Occupational Health and Safety** responsibilities, including self-care, safeguarding others, and participating in safety initiatives and reporting.
- Comply with all **Bendigo Health policies and procedures**, including those related to clinical, managerial, and standard work practices.
- Follow **Infection Control** procedures to prevent cross-contamination and ensure the health and safety of all.
- Maintain **strict confidentiality** regarding all organisational, patient, and staff information.
- Engage in **continuous quality improvement** activities aligned with the National Safety and Quality Health Service Standards (NSQHSS).
- Recognise and respect **diversity**, fostering inclusive practices in the workplace and service delivery.
- Support research activities in alignment with the National Clinical Trials Governance Framework to ensure high-quality, safe, and ethical clinical trials and research practices across Bendigo Health
- Staff must carry out all lawful and reasonable directions and comply with relevant professional standards and ethical codes.
- Safeguard children and young people in our care, by ensuring that your interactions are positive and safe, and report any suspicions or concerns of abuse by any person internal or external to Bendigo Health.
- Maintain ability to perform the inherent requirements of this role. Inherent requirements are the essential tasks necessary to perform this role, including reasonable adjustments. Bendigo Health is committed to a safe workplace that supports all employees. The role may require specific physical and cognitive abilities, which can be discussed with the manager during recruitment or at any time. We understand that personal circumstances can change and impact your ability to meet these requirements; additional policies are available to guide you through this process. Please request the relevant procedures for more information.

*All Bendigo Health sites, workplaces and vehicles are smoke free.*

*This position description is intended to describe the general nature and level of work that is to be performed by the person appointed to the role. It is not intended to be an exhaustive list of all responsibilities, duties and skills required. Any elements of this document may be changed at Bendigo Health's discretion and activities may be added, removed or amended at any time.*
