Bendigo Health

Bendigo Health is a leading regional health service, learn more about us by visiting our website: [Bendigo Health Website - About Bendigo Health](#)

As an organisation we are committed to delivering safe, inclusive and high-quality care to our diverse communities across the Loddon Mallee Region. We value and respect the unique backgrounds, cultures and experiences of the people we serve and those who work with us.

We are a proud child safe organisation, dedicated to the safety, wellbeing and voice of all children and young people. We are committed to creating a culturally safe and welcoming environment where Aboriginal and Torres Strait Islander peoples—adults, children and families—are respected, supported and empowered to express and celebrate their culture.

Our Vision

To be a trusted regional healthcare service recognised for delivering exceptional care, being a great place to work, and being deeply connected to our community.

Our Values

PASSIONATE – We are passionate about doing our best – for our patients, our colleagues and our community.

ACCOUNTABLE – We take ownership of our actions and outcomes, always striving for integrity and improvement.

CARING – We care deeply for our community – and our community cares for us. Compassion is at the heart of everything we do.

TRUSTWORTHY - We are open, honest and respectful in all that we do – earning the trust placed in us every day.

The Position

The Radiographer will perform radiographic examinations and associated duties in accordance with standard radiographic practice, department policies and procedures.

They will work as part of a multidisciplinary team, performing examinations to a consistently high standard using a patient focused approach. They will be a mentor to under graduate students and to other imaging staff.

The Radiographer will work in modalities aligned to their expertise, skills and training.

Responsibilities and Accountabilities

Key Responsibilities

- Operate within the legal boundaries and MRPB Code of Conduct and Professional Capabilities Standards, and ASMIRT Scope of Practice.
- Demonstrate a raised level of technical ability and skills in the production of the highest quality diagnostic images that are reasonably achievable given the patient condition and in accordance with the ALARA principles
- Ensure all examinations are performed efficiently with timing governed by clinical and patient need
- Ensure all examinations are presented for reporting with minimum delay and with accurate recording of associated details
- Provide constructive feedback to junior staff with regard to image technique quality and patient care
- Act as a mentor or preceptor to less experienced MIT's, including interns and students
- Recognise and report adverse events
- Collaborate with all multidisciplinary team members for the desired outcomes for patients
- Conduct yourself in a manner that will not endanger yourself or others
- Contribute to safety awareness and promotion by contributing feedback, ideas and suggestions
- Report all radiation incidents immediately to the Radiation Safety Officer or Director of Medical Imaging.
- Be willing and available to perform all shifts and recall

Key Selection Criteria

Essential

1. Demonstrated high level experience and skills in general, trauma, and theatre radiology.

1. Demonstrated high level experience in at least one of the following: CT, Mammography, Angiography or MRI
2. Extensive RIS and PACS knowledge and experience
3. Current Victorian Radiation Use Licence
4. Current AHPRA registration – Medical Radiation Practitioner

Desirable

1. IV Cannulation experience
2. Knowledge of CMBS and imaging billing rules

Generic Responsibilities

All Bendigo Health staff are required to:

- Adhere to the **Victorian Government's Code of Conduct**
- Uphold **Occupational Health and Safety** responsibilities, including self-care, safeguarding others, and participating in safety initiatives and reporting.
- Comply with all **Bendigo Health policies and procedures**, including those related to clinical, managerial, and standard work practices.
- Follow **Infection Control** procedures to prevent cross-contamination and ensure the health and safety of all.
- Maintain **strict confidentiality** regarding all organisational, patient, and staff information.
- Engage in **continuous quality improvement** activities aligned with the National Safety and Quality Health Service Standards (NSQHSS).
- Recognise and respect **diversity**, fostering inclusive practices in the workplace and service delivery.
- Support research activities in alignment with the National Clinical Trials Governance Framework to ensure high-quality, safe, and ethical clinical trials and research practices across Bendigo Health
- Staff must carry out all lawful and reasonable directions and comply with relevant professional standards and ethical codes.
- Safeguard children and young people in our care, by ensuring that your interactions are positive and safe, and report any suspicions or concerns of abuse by any person internal or external to Bendigo Health.
- Maintain ability to perform the inherent requirements of this role. Inherent requirements are the essential tasks necessary to perform this role, including reasonable adjustments. Bendigo Health is committed to a safe workplace that supports all employees. The role may require specific physical and cognitive abilities, which can be discussed with the manager during recruitment or at any time. We understand that personal circumstances can change and impact your ability to meet these requirements; additional policies are available to guide you through this process. Please request the relevant procedures for more information.

All Bendigo Health sites, workplaces and vehicles are smoke free.

This position description is intended to describe the general nature and level of work that is to be performed by the person appointed to the role. It is not intended to be an exhaustive list of all responsibilities, duties and skills required. Any elements of this document may be changed at Bendigo Health's discretion and activities may be added, removed or amended at any time.
