

## Registered Nursing and Midwifery Graduate Program 2027

### Step 1 - Register on Bendigo Health SuccessFactors & Graduate Nurse Midwifery Program (GNMP) Match <https://gnmp.pmcv.com.au>

1. Register with Bendigo Health careers via SuccessFactors
  - Go to the SuccessFactors sign up page [Career Opportunities: Create an Account](#)
  - Click on “Register” and complete your current details for SuccessFactors (please remember password).
  - Would you like to receive automatic updates? Click Yes (this will update you when new jobs come on-line)
  - You are now registered and can login at any time
  - You can now either wait for SuccessFactors to notify you of new positions or you log in at any time to check SuccessFactors for the Registered Nursing and Midwifery Graduate Program 2027 vacancy (the positions will be available to apply from Monday 1<sup>st</sup> June, 2026)
2. Register with PMCV website GNMP match
  - Go to <https://gnmp.pmcv.com.au/> and register for an account with GNMP website. Check eligibility criteria and apply.
  - I have reviewed the frequently asked questions via the PMCV website to gain knowledge on the match and application process <https://gnmp.pmcv.com.au/faqs/>

Please Note: GNMP is a matching service ONLY not a portal for receiving applications. Applications must be made directly to Bendigo Health. Your application will be considered invalid if you do not follow the two-step process.

### Step 2 – Preparing your Application for Bendigo Health

- Prepare your statement of career intention (please refer to the PMCV FAQs).
- Prepare your resume (please include name, contact phone number, email address (personal only or Bendigo Health email address), academic history, relevant employment experience and dates and locations of undergraduate clinical placements including future placements, extra qualifications, career goals, hobbies or interests)
- Provide a copy of your most recent academic transcript from your university (including code/legend)
- Provide copies of your last 3 clinical placement reports including placement that is relevant to the stream that you are interested in. Please make sure that you include formative and summative assessments and written comments.

You will be asked to upload each of the above documents separately within SuccessFactors. To avoid uploading issues, it is recommended that you upload each of these documents as a PDF format.

Please Note: If you are an internal staff member to Bendigo Health, please use your Bendigo Health email address. If you are an external applicant, your email address should be a personal email address NOT a university provided email address.

### Step 3 - Applying

- Monday June 1<sup>st</sup>2026 the job advertisement will be available for viewing on the Bendigo Health website under careers – apply now.
- Apply online any time before applications close at 5:00pm on Wednesday July 1<sup>st</sup> 2026 (see below application checklist).
- On SuccessFactors, follow the prompts and complete all fields when applying.
- You can “save” your application details until you are ready to “submit”
- Upload each of the below documents in the relevant upload field
  - Cover letter – Please submit a copy of your Career Intentions Statement when prompted to submit a cover letter. A cover letter is not required.
  - Resume
  - Academic Transcript
  - Clinical Placement Reports (three reports)
- When ready, “submit” your application
- Once your application is submitted, you will receive e-mail correspondence from Bendigo Health. Please ensure your e-mail details included in your application are correct and active. Your email address should be a personal email address **NOT** a university provided email address.

Application Checklist	ACTIONED Y/N
I have assessed my eligibility for GNMP matching via the PMCV website.	
I have registered with PMCV website.
