## 3:3:3 Process

The 3:3:3 process revolves around 3 key milestones of the IAP. From close of applications to the final pitching event participants will receive Business Development and professional services support and guidance. At the conclusion of the pitching event successful teams will receive funding and support for the following 12 months.

3

Days

### Unmet Need Selection

Applicants will be advised within 3 days of their 'unmet need' submission as to whether they have been selected to participate in the program

3

Weeks

### Project Team Formation

Within 3 weeks, all successful applicants will be matched with a research team

3

Months

### Pitch Development and Presentation

A pitching event will be held 3 months after the project team formation and successful teams will be notified of their success within 24 hours
