Bendigo Health

Bendigo Health is a leading regional health service, learn more about us by visiting our website: [Bendigo Health Website - About Bendigo Health](#)

Our organisation is a child safe organisation, committed to the safety and wellbeing of all children and young people. All Aboriginal and Torres Strait Islander adults, children and families will be supported to express and be proud of their culture in an environment that is culturally safe and supported.

Our Vision

Excellent Care. Every Person. Every Time.

Our Values

CARING – We care for our community,

PASSIONATE – We are passionate about doing our best,

TRUSTWORTHY - We are open, honest and respectful

The Position

The purpose of this position is to provide comprehensive oncology services in both inpatient and outpatient settings including outreach, on call and weekend cover. As part of a collaborative team of consultants, you will contribute to enhancing cancer services across the Loddon Mallee Region, with a strong focus on

continuous improvement, clinical leadership and clinical research, helping to drive innovation in oncology care while improving health outcomes for our community.

Responsibilities and Accountabilities

Provides inpatient and outpatient medical oncology services, including outreach clinics. Works with the Oncology Management team to strengthen regional service delivery and governance. Contributes to policy and protocol development, quality and accreditation activities, and mentors registrars and junior doctors.

Key Responsibilities

- Provision of Medical Oncology services to patients of the Bendigo Health, at both inpatient and outpatient levels.
- Provision of outreach clinics as directed by the strategic plan of the medical oncology cancer services.
- In conjunction with the Oncology Management team, enhance the existing and future service provisions from the cancer centre to the subregional hospitals with a focus on governance.
- A willingness to mentor and provide education to the oncology Registrar and Doctor's in Training.
- Assist in the ongoing development of relevant Quality activities; including preparing for and meeting of Accreditation standards and relevant Clinical Indicator Programs.
- Involvement in ongoing development of policies and protocols for the delivery of services within the discipline of Medical Oncology.
- Liaise with the Director of Oncology and management of the Bendigo Health Care Group in regard to service development and strategic planning.

Key Selection Criteria

Essential

1. MBBS and Post graduate qualifications in internal medicine, (FRACP) and oncology or equivalent
2. Demonstrated clinical ability commensurate with that expected of an Oncologist
3. Significant experience working at a senior level in a major hospital service
4. Medical Qualifications registerable by AHPRA
5. Ability to work as part of a multi-disciplinary team, as well as independently.

Desirable

6. Demonstrably superior interpersonal and negotiation skills
7. Demonstrated ability to participate in audit and in the audit feedback cycle.
8. Evidence of on-going professional development to continually update personal medical knowledge and skills

Generic Responsibilities

All Bendigo Health staff are required to:

- Adhere to the **Victorian Government's Code of Conduct**
- Uphold **Occupational Health and Safety** responsibilities, including self-care, safeguarding others, and participating in safety initiatives and reporting.
- Comply with all **Bendigo Health policies and procedures**, including those related to clinical, managerial, and standard work practices.
- Follow **Infection Control** procedures to prevent cross-contamination and ensure the health and safety of all.
- Maintain **strict confidentiality** regarding all organisational, patient, and staff information.
- Engage in **continuous quality improvement** activities aligned with the National Safety and Quality Health Service Standards (NSQHSS).
- Recognise and respect **diversity**, fostering inclusive practices in the workplace and service delivery.
- Staff must carry out all lawful and reasonable directions and comply with relevant professional standards and ethical codes.
- Safeguard children and young people in our care, by ensuring that your interactions are positive and safe, and report any suspicions or concerns of abuse by any person internal or external to Bendigo Health.
- Maintain ability to perform the inherent requirements of this role. Inherent requirements are the essential tasks necessary to perform this role, including reasonable adjustments. Bendigo Health is committed to a safe workplace that supports all employees. The role may require specific physical and cognitive abilities, which can be discussed with the manager during recruitment or at any time. We understand that personal circumstances can change and impact your ability to meet these requirements; additional policies are available to guide you through this process. Please request the relevant procedures for more information.

All Bendigo Health sites, workplaces and vehicles are smoke free.

This position description is intended to describe the general nature and level of work that is to be performed by the person appointed to the role. It is not intended to be an exhaustive list of all responsibilities, duties and skills required. Any elements of this document may be changed at Bendigo Health's discretion and activities may be added, removed or amended at any time.
