Bendigo Health

Bendigo Health is a leading regional health service, learn more about us by visiting our website: [Bendigo Health Website - About Bendigo Health](#)

As an organisation we are committed to delivering safe, inclusive and high-quality care to our diverse communities across the Loddon Mallee Region. We value and respect the unique backgrounds, cultures and experiences of the people we serve and those who work with us.

We are a proud child safe organisation, dedicated to the safety, wellbeing and voice of all children and young people. We are committed to creating a culturally safe and welcoming environment where Aboriginal and Torres Strait Islander peoples—adults, children and families—are respected, supported and empowered to express and celebrate their culture.

Our Vision

To be a trusted regional healthcare service recognised for delivering exceptional care, being a great place to work, and being deeply connected to our community.

Our Values

PASSIONATE – We are passionate about doing our best – for our patients, our colleagues and our community.

ACCOUNTABLE – We take ownership of our actions and outcomes, always striving for integrity and improvement.

CARING – We care deeply for our community – and our community cares for us. Compassion is at the heart of everything we do.

TRUSTWORTHY - We are open, honest and respectful in all that we do – earning the trust placed in us every day.

The Position

All staff at Bendigo Health should have, or aspire to the personal qualities, knowledge and skills as described in the Bendigo Health Staff Capabilities Statement. Refer to link at top of page. You will be a suitably experienced General Medicine Physician seeking a rewarding career through your contribution to a large regional tertiary referral hospital with a growing role in teaching and the professional development of Interns, HMOs and Registrars. As a consultant physician you will be expected to practice within your scope of practice and will be subject to Bendigo Health's Credentialing Committee's jurisdiction whilst working in Bendigo Health. You will report to the Clinical Director of Medicine for operational matters and to the Chief Medical Officer (CMO) for Professional ones. The Bendigo Health's Strategic Plan is to provide World Class Health Care and the successful candidate is expected to contribute to that goal during their time with Bendigo Health.

Responsibilities and Accountabilities

As a consultant physician you will be expected to practice within your scope of practice and will be subject to Bendigo Health's Credentialing Committee's jurisdiction whilst working in Bendigo Health. You will report to the Clinical Director of Medicine for operational matters and to the Chief Medical Officer for Professional ones.

Key Responsibilities

- Practice within your defined scope of practice.
- Be subject to the jurisdiction of Bendigo Health's Credentialing Committee while working at Bendigo Health.
- Report to the Clinical Director of Medicine for operational matters.
- Report to the Chief Medical Officer for professional matters.

Key Selection Criteria

Essential

1. Full unconditional registration with AHPRA as a Medical Practitioner / Specialist in General Medicine
2. Fellow of the Royal Australian and New Zealand College of Physicians - Adult Medicine
3. Demonstrated clinical ability commensurate with that expected of a consultant physician.
4. Good understanding of the Public Health system; in particular the clinical and quality requirements for acute care service delivery.
5. Demonstrably superior interpersonal and negotiation skills.
6. Ability to work as part of a multi-disciplinary team, as well as independently.
7. Ability to interact and communicate with a diverse range of people at all levels

Generic Responsibilities

All Bendigo Health staff are required to:

- Adhere to the **Victorian Government's Code of Conduct**
- Uphold **Occupational Health and Safety** responsibilities, including self-care, safeguarding others, and participating in safety initiatives and reporting.
- Comply with all **Bendigo Health policies and procedures**, including those related to clinical, managerial, and standard work practices.
- Follow **Infection Control** procedures to prevent cross-contamination and ensure the health and safety of all.
- Maintain **strict confidentiality** regarding all organisational, patient, and staff information.
- Engage in **continuous quality improvement** activities aligned with the National Safety and Quality Health Service Standards (NSQHSS).
- Recognise and respect **diversity**, fostering inclusive practices in the workplace and service delivery.
- Support research activities in alignment with the National Clinical Trials Governance Framework to ensure high-quality, safe, and ethical clinical trials and research practices across Bendigo Health
- Staff must carry out all lawful and reasonable directions and comply with relevant professional standards and ethical codes.
- Safeguard children and young people in our care, by ensuring that your interactions are positive and safe, and report any suspicions or concerns of abuse by any person internal or external to Bendigo Health.
- Maintain ability to perform the inherent requirements of this role. Inherent requirements are the essential tasks necessary to perform this role, including reasonable adjustments. Bendigo Health is committed to a safe workplace that supports all employees. The role may require specific physical and cognitive abilities, which can be discussed with the manager during recruitment or at any time. We understand that personal circumstances can change and impact your ability to meet these requirements; additional policies are available to guide you through this process. Please request the relevant procedures for more information.
