TRUSTWORTHY - We are open, honest and respectful

The Position

The Endorsed Enrolled Nurse (EEN) is responsible for the safe, effective, and compassionate delivery of nursing care to patients and their families within a multidisciplinary team environment. This role ensures that care is delivered with respect, inclusivity, and a focus on the holistic wellbeing of individuals, free from prejudice or discrimination.

Working under the direction of the team leader or shift manager, the EEN contributes to the assessment, planning, implementation, and evaluation of care. A commitment to professional, accurate, and timely documentation is essential, including adherence to the ISBAR handover framework to ensure continuity and clarity of patient information.

Clear, concise, and open communication with patients, families, and staff across all levels is critical to success in this role. The ideal candidate will demonstrate initiative, reliability, and a strong commitment to delivering high-quality nursing care as part of a hardworking, close-knit team.

Responsibilities and Accountabilities

The EEN actively supports and collaborates with colleagues on a daily basis, promoting a culture of teamwork, respect, and mutual support. They uphold and reflect the organisation's vision and values in all interactions.

Key Responsibilities

- Provide safe, person-centred nursing care in line with ANC national competency standards, including assessment, intervention, and evaluation of individual health status.
- Monitor and report changes in health conditions and responses to care, maintaining ongoing communication with the Registered Nurse.
- Support individuals with activities of daily living to enhance independence and emotional wellbeing.
- Promote best practice and evidence-based interventions to achieve positive health outcomes.
- Communicate effectively with patients/residents, families, carers, and the healthcare team.
- Maintain professional standards, meet annual competency requirements, and identify ongoing learning needs.
- Operate basic healthcare computer applications and ensure clinical equipment is clean and safely functioning.
- Work flexibly within assigned units or divisions according to clinical competencies and service needs.
- Act as a positive role model and provide guidance to less experienced staff and students.
- Maintain working knowledge of Aged Care legislation and Quality Standards.
- Promptly report and document all serious incidents involving residential care recipients (e.g. abuse, neglect, unexpected death, inappropriate restraint, unexplained absences), ensuring appropriate actions are taken to safeguard health, safety, and wellbeing.

Key Selection Criteria

Essential

1. Current registration as an Enrolled Nurse with the Nursing and Midwifery Board of Australia through the regulatory body, Australian Health Practitioner Regulation Agency (APHRA)
2. Demonstrated ongoing commitment to professional development with current computer literacy
3. Ability to work collaboratively within a team environment
4. Demonstrated clinical knowledge and skills relevant to aged care
5. Demonstrated clinical knowledge and skills relevant to the Unit speciality, including knowledge of the Nursing and Midwifery Board of Australia NMBA competency standards for enrolled nurses
6. Sound interpersonal and communication skills with a strong customer-focus
7. Ability to operate effectively in an environment of change and to work as a team member of a multi/inter-disciplinary team as well as independently

Desirable

1. Previous experience providing a recreational, person-centred, psychosocial, goal-orientated care, supporting residents to promote rehabilitation and build on their capabilities.
2. Sound understanding of Food Safety or current Food Safety certificate

Generic Responsibilities

All Bendigo Health staff are required to:

- Adhere to the **Victorian Government's Code of Conduct**
- Uphold **Occupational Health and Safety** responsibilities, including self-care, safeguarding others, and participating in safety initiatives and reporting.
- Comply with all **Bendigo Health policies and procedures**, including those related to clinical, managerial, and standard work practices.
- Follow **Infection Control** procedures to prevent cross-contamination and ensure the health and safety of all.
- Maintain **strict confidentiality** regarding all organisational, patient, and staff information.
- Engage in **continuous quality improvement** activities aligned with the National Safety and Quality Health Service Standards (NSQHSS).
- Recognise and respect **diversity**, fostering inclusive practices in the workplace and service delivery.
- Staff must carry out all lawful and reasonable directions and comply with relevant professional standards and ethical codes.
- Safeguard children and young people in our care, by ensuring that your interactions are positive and safe, and report any suspicions or concerns of abuse by any person internal or external to Bendigo Health.
- Maintain ability to perform the inherent requirements of this role. Inherent requirements are the essential tasks necessary to perform this role, including reasonable adjustments. Bendigo Health is

committed to a safe workplace that supports all employees. The role may require specific physical and cognitive abilities, which can be discussed with the manager during recruitment or at any time. We understand that personal circumstances can change and impact your ability to meet these requirements; additional policies are available to guide you through this process. Please request the relevant procedures for more information.
