The Position

The Social Work Graduate Programme offers new graduates and early career Social Workers (with up to 2 years of experience) the opportunity to develop skills in inpatient settings of the hospital with a strong focus on supporting graduate development and wellbeing.

New graduates are offered a 24-month contract, typically spending 12 months in one clinical setting, and then rotating to a second clinical setting for the final 12 months. This gives graduates the opportunity to develop and practise generalist and discipline specific clinical skills in a broad range of areas, with the aim of ultimately preparing them to apply for an ongoing position at the conclusion of the program. Clinicians will engage in regular supervision, facilitated peer support sessions and a specific program of professional development over the course of the 24-month program.

All staff at Bendigo Health should have, or aspire to the personal qualities, knowledge and skills as described in the Bendigo Health Staff Capabilities Statement and the Allied Health Grade Level Capabilities: Grade 1 Allied Health Professional. Please refer to links provided to these documents.

The Graduate Social Worker Grade 1 is responsible for the provision of Social Work Services within a designated clinical caseload, appropriate to their level of experience and competency. Grade One level Social Work are required to display autonomy of practice, whilst also contributing constructively to the multidisciplinary team.

The purpose of this position is to:

- provide best practice client centred clinical care to clients within the designated caseload in the Social Work cost centre, inpatient services of Bendigo Health
- provide quality Social Work services to an allocation of patients within the acute hospital including Cancer Services and/or Inpatient Rehabilitation and/or Geriatric Evaluation and Management (GEM) units at Bendigo Health, or other clinical units at Bendigo Health, as required by the Social Work Department
- contribute to the development of the inpatient service, as well as the general Social Work department as appropriate.

Where required, Allied health clinicians may be rostered to work on weekends and public holidays
