Bendigo Health

With more than 4,500 staff and volunteers and covering an area a quarter of the size of Victoria, Bendigo Health, is an expanding regional health service offering the advantages of city life combined with the beauty and freedom that comes from living in a regional area.

Bendigo Health is a 700 bed service that treats more than 45,000 inpatients, triages more than 65,000 emergency attendees and welcomes more than 1,600 new born babies in a year. In addition more than 15,000 operations are performed in our operating theatres and more than 100,000 occasions of services are provided in our clinics to outpatients.

The organisation provides services in emergency, maternity, women's health, medical imaging, pathology, rehabilitation, community services, residential aged care, psychiatric care, community dental, hospice/palliative care, cardiology, cancer services and renal dialysis to the people of the Loddon Mallee region.

With our main campus based in Bendigo, our services extend throughout the Loddon Mallee with sites in areas such as Mildura, Echuca, Swan Hill, Kyneton and Castlemaine.

Demand on services is increasing rapidly with Bendigo being one of Victoria's fastest growing regional cities.

Our Vision

Excellent Care. Every Person. Every Time.

Our Values

CARING – We care for our community

PASSIONATE – We are passionate about doing our best

TRUSTWORTHY - We are open, honest and respectful

All staff at Bendigo Health should have, or aspire to the personal qualities, knowledge and skills as described in the Bendigo Health Staff Capabilities Statement. Refer to link at top of page.

The Aged Care, Public Health, Aboriginal and Diversity Services

The Aged Care, Public Health, Aboriginal and Diversity Services Division has a primary focus on improving the health outcomes of the communities in our region. With a range of local and regional programs supporting place-based health promotion, prevention, care and support, they work collaboratively with other Divisions and regional partnerships and networks to support quality outcomes. The Division has a strong leadership role in the Loddon Mallee Region and is committed to ensuring processes are in place to deliver on our vision.

The Division provides support for the Public Health Unit, Aged Care Residential Services (268 residents) and Infection Prevention & Control. It has key roles in public health, inclusive of health promotion and prevention, Aboriginal Services and infection control practices,

In addition, the Division holds the professional portfolio of Chief Nursing and Midwifery Officer. Nurses are the largest work group within Bendigo Health and the position is focused on supporting our nursing and midwifery workforce to feel valued and empowered.

The Residential Services Team

Bendigo Health's Residential Services provides accommodation for 268 older people of Bendigo and surrounding areas who require respite, permanent or transitional care. Bendigo Health's care homes are spread over multiple campuses:

- Gibson Street Complex is located at 26 Gibson Street, Bendigo. It includes
 - Joan Pinder Nursing Home with 60 beds
 - Stella Anderson Nursing Home with 60 beds
- Simpkin House, is located at 6 Gibson Street and consists of a 30 older person's mental health beds
- Simpkin House, Specialist Dementia Care Program Unit consists of 9 beds offering temporary care with a goal to stabilise and reduce a person's behavioural symptoms with a supported transition into a less intensive care setting
- Golden Oaks Complex is located in Stoneham Street, Golden Square. It includes:
 - Golden Oaks Nursing Home with 60 beds
 - Carshalton House with 45 beds.

The residential services team provide high quality of care in all our residential care facilities. Our homes accommodate and care for some of the most vulnerable older people in our community. The team strives for service excellence through innovation and constantly monitoring our care standards and seeking to do things better.

The Position

All staff at Bendigo Health should have, or aspire to the personal qualities, knowledge and skills as described in the Bendigo Health Staff Capabilities Statement. Refer to link at top of page.

The Enrolled Nurse works with the Health Care Workers, RN, ANUM and NUM to deliver person centred recreational based care and behaviour support in the Specialist Dementia Care Program. The SDCP Unit offers temporary care with a goal to stabilise and reduce a person's severe behavioural and psychological symptoms to achieve a supported transition into a less intensive residential care setting. The SDCP team works closely with Dementia Support Australia, Dementia Training Australia and specialist clinicians.

Responsibilities and Accountabilities

Key Responsibilities

1. Specific responsibilities

- To practice within the framework of the ANC national competency standards for enrolled nurses.
- To provide safe, patient/client/resident-centred nursing care, including assessment, intervention and evaluation of individual health and functional status.
- To monitor the impact of nursing care and maintains ongoing communication with the Registered Nurse regarding the health and functional status of individuals.
- To provide support and comfort, assisting with activities of daily living to achieve an optimal level of independence, and providing for emotional needs of individuals.
- To report changes in health and functional status and individual responses to health care interventions.
- To work as part of an inter-disciplinary health care team to advocate for and facilitate the involvement of individuals, their families and significant others in planning and evaluating care and progress toward health outcomes.
- To maintain and develop professional nursing standards and practice ensuring that annual competencies are met and continual learning needs are identified.
- To promote best practice interventions that will lead to positive health outcomes.
- To provide effective communication so as to include the patient/resident, carers and the inter-disciplinary team in the immediate and ongoing health care.
- To be a positive role model to less experienced Enrolled Nurses including personal care attendant students.
- To access and operate basic health care computer applications.
- To work in your assigned unit or within your division as the need arises and in accordance with your clinical competencies.
- To be responsible for the checking of relevant clinical equipment ensuring its safe operation and cleanliness prior to use.

2. Residential services specific activities

- To maintain a practical working knowledge of Aged Care legislation inclusive of the Aged Care Quality Standards
- You are required to notify your employer and document all reportable incidents (serious incidents) of alleged or suspected to have occurred to a residential care recipient (consumer), in connection with the provision of residential care, or flexible care provided in a residential setting: unreasonable use of force against a consumer including (• unlawful sexual contact, or inappropriate sexual conduct, inflicted on a consumer • psychological or emotional abuse of a consumer • unexpected death of a consumer • stealing from, or financial coercion of, a consumer by a staff member of the provider • neglect of a consumer • use of physical or chemical restraint of a consumer (other than in the circumstances set out in the Quality of Care Principles) • unexplained absence of a consumer from the service) so that the appropriate response can be undertaken to ensure the health, safety and wellbeing of residents, and to meet record keeping responsibilities under the Act.

Generic Responsibilities

Code of Conduct - The Victorian Government's Code of Conduct is binding on all Bendigo Health staff. Contravention of a provision in the code may constitute misconduct and/ or regarded as a breach of the employee's employment agreement and will be dealt with under the organisations Counselling and Disciplinary Action Policy.

Compliance with policies and procedures - All Bendigo Health's policies and procedures are set out in its clinical and managerial policy manuals located on the intranet under PROMPT and in hard copy. All staff must ensure they comply with policies, procedures and standard ways of work practices when carrying out their work. Any breach in compliance may result in disciplinary action.

Occupational Health and Safety - Every staff member has the responsibility to take reasonable care of their own health and safety and the safety of others, to cooperate with Bendigo Health's OH&S policies and to participate in appropriate safety education and evaluation activities. All staff are expected to participate in reporting any health, safety and wellbeing issues. Any breach in compliance may result in disciplinary action.

Infection Control - Every staff member has the responsibility to minimise incidents of infection/ cross infection of residents, staff, visitors and the general public. All staff must adhere to the policies and procedures as set out in Bendigo Health's infection control manuals. Any breach in compliance may result in disciplinary action.

Confidentiality - All information concerning Bendigo Health, its patients, clients, residents and staff should remain strictly confidential. Any unauthorised disclosure of such information may result in disciplinary action.

Quality Improvement - Bendigo Health is dedicated to improving the quality and safety of health services by providing care within the following domains of quality: Consumer Participation, Clinical Effectiveness, Effective Workforce and Risk Management. As a result, we apply the concept of the quality cycle for all our quality activities, initiatives and projects thereby ensuring the best possible care and treatment results are achieved. The underlying principle of the cycle is that an activity is not complete until evaluation shows that it has been effective and reached the desired outcome. As a Bendigo Health employee you have a

responsibility to participate in and commit to ongoing quality improvement activities using and measured against the framework of the Aged Care Quality Safety Standards.

Diversity – Each person has a right to high-quality health care and opportunities regardless of diversity factors, which might include aspects such as cultural, ethnic, linguistic, religious background, gender, sexual orientation, age and socio-economic status. Every staff member has a responsibility to recognise and respect diversity. Inclusiveness improves our service to our community and promotes engagement amongst staff.

Employees are required to carry out lawful directions outlined above or delegated to them. The work to be performed is set out in this position description and, where relevant, any professional standards and codes of conduct and ethics issued by the relevant professional association.

Key Selection Criteria

Essential

1. Current registration as an Enrolled Nurse with the Nursing and Midwifery Board of Australia through the regulatory body, Australian Health Practitioner Regulation Agency (APHRA)
2. Demonstrated clinical knowledge and skills relevant to the delivery of holistic aged care and caring for people living with dementia and mental health conditions
3. Knowledge of Aged Care Quality Standards, Occupational Health & Safety, Infection Control and continuous improvement activities
4. Demonstrated ongoing commitment to professional development
5. Sound literacy, documentation and communication skills (including computer literacy)
6. Ability to operate effectively in an environment of change and to work as a team member of a multi/inter-disciplinary team as well as independently
7. Proven ability to meet deadlines, goals and objectives

Desirable

8. Previous experience providing a recreational, person-centred, psychosocial, goal-orientated care program supporting residents to build on their capabilities and level of independence
9. Sound understanding of Food Safety principles or current Food Safety certificate

Mandatory Requirements

National Police Record Check A current and satisfactory National Police Record Check must be completed by all new staff prior to commencement at Bendigo Health.

Aged Care Banning Order Register All new staff are checked against the aged care quality and safety commission banning order register, and must be clear of a general application. If a limited application is in place a suitability assessment will be completed prior to issuing a contract of employment.

Immunisation As a health provider dedicated to providing quality patient care, we all need to be aware of the critical importance of infection control. Each staff member has a responsibility to comply with Bendigo Health's Staff Immunisation Policy and various infection control policy and procedures. All staff are required to provide evidence of vaccinations prior to commencement at Bendigo Health.

National Disability Insurance Scheme (NDIS) Check Where applicable, completion of a clear National Disability Insurance Scheme (NDIS) Check must be undertaken for all positions providing services under the NDIS. A NDIS check is required to be completed prior to commencement at Bendigo Health where the position involves working within a Disability Service or providing service under the NDIS.

Registration with Nursing and Midwifery Board through the regulatory body, Australian Health Practitioner Regulation Agency (APHRA). The work to be performed is set out in this position description and, where relevant, any professional standards and codes of conduct and ethics issued by the relevant professional association.

All Bendigo Health sites, workplaces and vehicles are smoke free.

This position description is intended to describe the general nature and level of work that is to be performed by the person appointed to the role. It is not intended to be an exhaustive list of all responsibilities, duties and skills required. Any elements of this document may be changed at Bendigo Health's discretion and activities may be added, removed or amended at any time.
